INTRODUCTION

Our list has been developed to offer a balance of quality, value and interest. We have opted where possible for small artisan winemakers where quality and innovation are key. We have also included notable names, like Angela Muir, Jim Barry and Buitenverwachting, as well as some home-grown award-winning wines and spirits from our region. We will only list wines we have tasted and liked and have included a short section of our current personal favourites in the "What We're Drinking" section on Page 6.

Our wine suppliers reflect this ethos of choosing individuality and exploring less familiar producers, regions and countries.

Our style of service is simple. We offer you a taste to check the condition of the wine, pour a glass for each diner and then leave it to you. Whilst most of us have a qualification in wine, we can't guarantee we know everything but will promise to either answer your questions or point you in the right direction.

We are delighted to have been awarded an AA Notable Wine List Certificate for 2017. This is awarded to only around 150 restaurants annually so we are honoured to be included. We hope you enjoy drinking from the list as much as we enjoy putting it together!

TEA

We source our loose leaf teas from the Bristol based Canton Tea Company. Founded in 2007, Canton Tea Co trade in high grade, whole leaf Chinese tea and have exclusive access to some of the best teas available. They were awarded six Golds at the 2009 Guild of Fine Food Great Taste Awards and their Jasmine Pearls won the top three star gold award, endorsing it as the best available in the UK – we're delighted to say this is one of our personal favourites too!
